Frandsen Bank & Trust: Your Bridge to Financial Success for Life

Frandsen Bank & Trust helps individuals and businesses build financial success. We offer personal banking, business banking, trust and investment services.

More importantly, we deliver the service and convenience you deserve - online, in person and by phone. We're proud to be a community-focused bank focused on understanding your financial needs.

BANK ON MAIN STREET, NOT WALL STREET

Never will we accept any government bailout. Why not? We simply don't need the help. Our bank is a stable, responsible business, with the capital needed to keep your deposits safe and make loans like we always have.
